Dear Friend,

Housing Corporation of Arlington (HCA) invites you to partner with us as a sponsor of a very special milestone — our 40th Anniversary Year!

HCA was founded by local residents in 1986. We kicked off our 40th anniversary celebration with a story in our January newsletter about our very first affordable home; it's enclosed here. That story is the first in a series about HCA's history that we will share throughout the year.

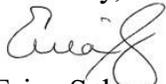

For four decades, HCA has been dedicated to creating and sustaining safe, stable, and affordable housing for Arlington residents. We have developed affordable homes, supported families and individuals with services, and advocated for housing policies and projects. Today we own 208 housing units, and support an active HCA Tenant Council. We support an additional nearly 100 households a year with our Homelessness Prevention Program and other direct services. Our 40th anniversary is both a celebration of our legacy to date and an opportunity to look towards the future. I hope you will join us as a sponsor.

40th Anniversary sponsorship offers meaningful visibility and recognition, and engagement with our diverse audience of local residents, civic leaders, and local and regional nonprofits. As an HCA 40th Anniversary Sponsor, your organization will be acknowledged in multiple ways during several anniversary activities throughout the year.

Your sponsorship will help highlight this milestone moment, while demonstrating your commitment to affordable housing and community well-being. *The attached flyer outlines the sponsorship levels and benefits.*

Most important, your support will help HCA continue its mission to ensure that Arlington is a place where people of all incomes can live, thrive, and contribute. Thank you!

Sincerely,

Erica Schwarz
Executive Director
